MEMORANDUM

TO: Hamilton County Residents

FROM: Commissioner Greg Hartmann

DATE: November 23, 2015

RE: Storm Drainage Variances & Appeals Board and the Board of Building Appeals

Commissioners have the responsibility to appoint members to several Boards and Commissions, providing oversight to many important organizations and initiatives in Hamilton County. Two of these Boards, the **Storm Drainage Variances & Appeals Board**, has an open position for a resident who will serve concurrently on the **Hamilton County Board of Building Appeals** as well as the professional Structural Engineer representative.

I invite you to consider applying to be a member on these important Boards. The Storm Drainage Variances & Appeals Board hears appeals from residents regarding the regulations and decisions of the storm water district in the County. The Board of Building Appeals reviews cases involving enforcement of the Building Code in the unincorporated areas of the County. The appointee would be the Board's Structural Engineer representative and would serve a term that ends on November 2, 2020.

As with all of the Boards that the Hamilton County Commissioners appoint to, the open position on these Boards must be filled with a County resident in order to provide a representative and accountable decision-making body for this important County function. In the coming weeks, Commissioners will be collecting and reviewing applications for the Storm Drainage Variances & Appeals Board and the Board of Building Appeals in anticipation of appointment at our December 16 Commissioners' meeting.

I encourage all interested residents to apply to serve on these important Boards! To apply, download the application here: http://www.hamiltoncountyohio.gov/boards_commissions/forms/application.asp, and fax, email or mail your application to:
